For more than a century, the sun-drenched oasis of La Quinta has attracted Hollywood legends, celebrities, and discerning travelers seeking relaxation, recreation, and understated luxury. Nestled in the heart of the Coachella Valley, this celebrated desert retreat has earned its reputation as the "Gem of the Desert" and now it's your turn to experience it.

Your getaway begins with four days and three nights in a beautiful three-bedroom ground floor villa at Legacy Villas, a 44-acre resort community adjacent to the historic La Quinta Resort & Club and nestled at the foot of the Santa Rosa Mountains. Framed by the majestic mountains, your villa offers spacious accommodations, a fully equipped kitchen, private patio, and access to an impressive collection of resort amenities. Spend your days lounging beside any of the 12 saltwater pools, unwinding in one of 11 hot tubs, relaxing in the hammock garden, or exploring walking paths lined with fountains.

You also have $1,000 in resort credit at LaQuinta Resort & Club for dining or indulging in spa treatments during your stay. As an added highlight, you'll enjoy dinner one evening at Morgan's in the Desert, the resort's signature restaurant, where you'll savor American cuisine inspired by the seasonal bounty of the Coachella Valley.

When you're ready to venture beyond the resort, there's plenty to discover. Explore scenic hiking trails or take advantage of the area's many bike paths. Stroll through charming Old Town La Quinta, where boutique shops, galleries, and inviting restaurants create a distinctly relaxed desert atmosphere. And, for golf enthusiasts, La Quinta offers more than 20 courses, while a vibrant arts and cultural scene provides something for every interest.

Whether you spend your days poolside, on the fairways, exploring the desert landscape, or simply soaking up the sunshine, this extraordinary getaway offers the perfect blend of luxury, leisure, and California charm. Follow in the footsteps of the legends who made La Quinta their desert escape and create a few memorable stories of your own.
