Legendary Passage: Alaska by Sea

7-day Alaska Cruise for 1 couple

Set sail on a seven-day voyage through Alaska's breathtaking wilderness aboard Princess Cruises, the highest-rated cruise line in Alaska. This unforgettable MedallionClass adventure invites two guests to explore the legendary landscapes of The Great Land, where towering glaciers, rugged coastlines, historic gold rush towns, and abundant wildlife create memories worthy of their own tale.

Alaska's grandeur is difficult to imagine until you experience it firsthand. Watch ancient glaciers calve into the sea, humpback whales surface from icy waters, and bald eagles soar above stunning harbors set against a wild, mountainous backdrop. Sail through fjords carved by ice and time, explore national parks such as Denali and Glacier Bay, and wander historic frontier towns where the stories and legends of the North still endure.

Your home at sea is a balcony stateroom, offering a private front-row seat to some of the world's most spectacular scenery. Greet the day with coffee at sunrise as mountains and glaciers drift by, then unwind in the evening with a favorite beverage while taking in the fresh ocean air from your veranda.

This being a MedallionClass vacation also transforms traditional travel into a seamless experience, as your Medallion enables everything from touch-free boarding and personalized service to locating your loved ones anywhere on the ship.

Enjoy both untamed beauty and an unparalleled experience.
